

The green rabbit suggested : "We can play together !"

The big monster suggested : "*Let's go on holidays to the mountains !*"

The yellow tiger said "I agree !"

Nina the green rabbit remembered : "My grandma lives in the mountains, here, in Corsica."

The green rabbit's family lived very, very, very **h**igh in the mountains.

When the animals arrived in the ountains, it was **nighttime**.

It was very cold!

The animals met a brown wolf. The brown wolf asked : "What are you doing here?"

The blue shark replied : "We are going to visit the green rabbit's grandma!"

The brown wolf said : "The green rabbit's grandma isn't here! I want to help you find her."
